The event is expected to conclude at approximately 12:00 p.m. Eastern Time.

Presentation materials as well as a live video webcast of the event will be available on the investor relations section of the Company’s website at: https://ir.microvast.com/. A video archive of the event will be accessible for at least 90 days.

What: Microvast Investor Day
When: Thursday, May 25, 2023
Time: 9:00 a.m. Eastern Time

About Microvast

Microvast is a technology innovator that designs, develops, and manufactures lithium-ion battery solutions. Microvast is renowned for its cutting-edge cell technology and its vertical integration capabilities which extend from core battery chemistry (cathode, anode, electrolyte, and separator) to modules and packs. By integrating the process from raw material to system assembly, Microvast has developed a family of products covering a breadth of market applications, including electric vehicles, energy storage, and battery components. Microvast was founded in 2006 and is headquartered in Stafford, Texas.
